If you are making your first investment in a Fund, before you wire funds, the transfer agent must have a completed New Account Application. You may mail or overnight deliver your New Account Application to the transfer agent. Upon receipt of your completed New Account Application, the transfer agent will establish an account for you. The shareholder account number assigned will be required as part of the instruction that should be provided to your bank to send the wire. Your bank must include both the name of the Fund you are purchasing, the shareholder account number, and the name on the account per the New Account Application so that monies can be correctly applied.

U.S. Bank, N.A.  
777 E. Wisconsin Avenue  
Milwaukee, WI 53202  
ABA No. 075000022  
Credit: U.S. Bancorp Fund Services, LLC  
Account No. 112-952-137  
Further Credit: DoubleLine Funds [Name of Fund and Share Class]  
(Shareholder Account Number, Shareholder Name)

Before sending your fed wire, please call the transfer agent at 877-DLine11 (877-354-6311) or contact your financial intermediary (if applicable) to advise them of the wire. This will ensure prompt and accurate credit to your account upon receipt of the fed wire. **Please note that the bank instructions used to issue a federal wire to fund your account must match the bank information provided with this new account application in order for the bank instructions to be established on your account for future use.**

Wired funds must be received prior to the close of trading on the NYSE (normally 4:00 p.m. Eastern Time) for the related purchase order to be eligible for same day pricing, except that orders provided in respect of advisory accounts (including other DoubleLine funds) managed by DoubleLine Capital or one of its related parties and orders provided by or through a broker-dealer or financial intermediary with whom the Funds (or their service providers) have a processing relationship may receive same day pricing so long as the related trade instructions are received timely. The Funds and U.S. Bank, N.A. are not responsible for the consequences of delays resulting from the banking or Federal Reserve wire system or from incomplete wire instructions.

**Note:** If you make any changes to the bank instructions after the account has been established, you will be required to submit written documentation along with a signature guarantee from either a Medallion program member or a non-medallion program member. These include situations when the redemption proceeds are to be sent or payable to any person, address or bank account not on the Funds' record or if ownership is being changed on the account. This would also be required if a redemption request is received by the Transfer Agent and the account address has changed within the last 30 calendar days. More information appears in the Fund's statutory prospectus.
