

## **Andy Constan**

*CEO/CIO*

### **Damped Spring Advisors**

Andy has spent the past 35 years investing and trading global markets. Over the last 12 years, he has developed strong expertise in Macro investing working at Bridgewater Associates as an Idea Generator and most recently at Brevan Howard as Chief Strategist. Andy spent the first part of his career at Salomon Brothers and its successor companies. After 17 years at Salomon and as the Head of Global Equity Derivatives, Andy left and started two relative value hedge funds specializing in Multi-Asset Volatility Arbitrage and Capital Structure Arbitrage. Throughout his career, Andy has developed a keen cutting edge understanding of systematic quantitative research and investment while also deeply appreciating the importance of the insights that arise from discretionary investing strategies.
